Still strong office markets

Oslo

- Vacancy at 4% and trending towards 2.5% in 2008 / 2009
- Still demand for offices, rental growth picking up also outside CBD and central areas
- Limited supply in near term
- Much of the available land is in areas where building cost is still above transaction price
- Much of the rest of available land is in areas where development requires time (master plan, authorities etc).

Stavanger

- Vacancy around 1.5 – 2.0 %
- Continued booming markets
- Development projects on drawing table

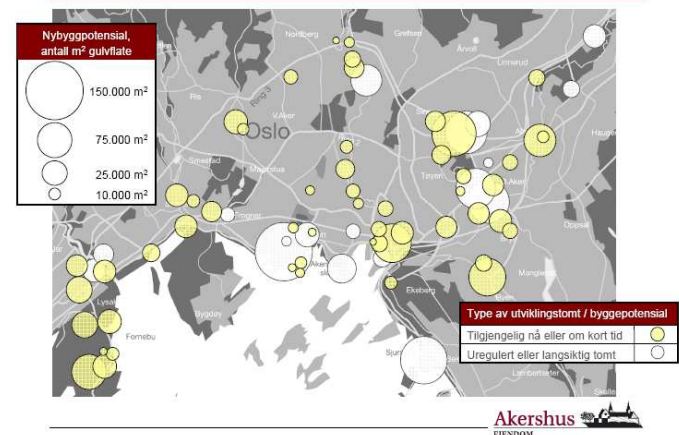

Property transactions

- Significant number of projects in market
- Yields trending slightly upwards on properties other than Prime prime, especially less attractive properties and properties with long term leases
- Rental increases neutralising effects
