1. Risk factors

All investments in interest bearing securities have risk associated with such investment. The risk is related to the general volatility in the market for such securities, varying liquidity in a single bond issue as well as company specific risk factors. An investment in interest bearing securities is only suitable for investors who understand the risk factors associated with this type of investments and who can afford a loss of all or part of the investment. Please refer to the Registration Document dated 03.01.2017 for a listing of company specific risk factors.

There are five main risk factors that sum up the investors total risk exposure when investing in interest bearing securities: **liquidity risk**, **interest rate risk**, **settlement risk**, **credit risk** and **market risk** (both in general and issuer specific).

**Liquidity risk** is the risk that a party interested in trading bonds in the Bond Issue cannot do it because nobody in the market wants to trade the bonds. Missing demand of the bonds may incur a loss on the bondholder.

**Interest rate risk** is the risk borne by the Bond Issue due to variability of the NIBOR interest rate. The coupon payments, which depend on the NIBOR interest rate and the Margin, will vary in accordance with the variability of the NIBOR interest rate. The interest rate risk related to this Bond Issue will be limited, since the coupon rate will be adjusted quarterly according to the change in the reference interest rate (NIBOR 3 months) over the 3 year tenor. The primary price risk for a floating rate bond issue will be related to the market view of the correct trading level for the credit spread related to the bond issue at a certain time during the tenor, compared with the credit margin the bond issue is carrying. A possible increase in the credit spread trading level relative to the coupon defined credit margin may relate to general changes in the market conditions and/or issuer specific circumstances. However, under normal market circumstances the anticipated tradable credit spread will fall as the duration of the bond issue becomes shorter. In general, the price of bonds will fall when the credit spread in the market increases, and conversely the bond price will increase when the market spread decreases.

**Settlement risk** is the risk that the settlement of bonds in the Bond Issue does not take place as agreed. The settlement risk consists of the failure to pay or the failure to deliver the bonds.

**Credit risk** is the risk that the Issuer fails to make the required payments under the Bond Issue (either principal or interest).

**Market risk** is the risk that the value of the Bond Issue will decrease due to the change in value of the market risk factors. The price of a single bond issue will fluctuate in accordance with the interest rate and credit markets in general, the market view of the credit risk of that particular bond issue, and the liquidity of the bond issue in the market. In spite of an underlying positive development in the Issuers business activities, the price of a bond may fall independent of this fact. Bond issues with a relatively short tenor and a floating rate coupon rate do however in general carry a lower price risk compared to bond issues with a longer tenor and/or with a fixed coupon rate.

No market-maker agreement is entered into in relation to this Bond Issue, and the liquidity of bonds will at all times depend on the market participants view of the credit quality of the Issuer as well as established and available credit lines.

interest rate fixed for a period comparable to the relevant period between each Interest Payment Date on Oslo Børs’ webpage at approximately 12.15 (Oslo time) on the Interest Quotation Date or, on days on which Oslo Børs has shorter opening hours (New Year’s Eve and the Wednesday before Maundy Thursday), the data published at approximately 10.15 a.m. (Oslo time) on the Interest Quotation Date shall be used. In the event that such page is not available, has been removed or changed such that the quoted interest rate no longer represents, in the opinion of the Bond Trustee, a correct expression of the relevant interest rate, an alternative page or other electronic source which in the opinion of the Bond Trustee and the Issuer gives the same interest rate shall be used. If this is not possible, the Bond Trustee shall calculate the relevant interest rate based on comparable quotes from major banks in Oslo.

Day Count Convention:  
Actual/360  
The interest shall be calculated on the basis of the actual number of days in the Interest Period in respect of which payment is being made divided by 360 (actual/360-days basis).

Business Day Convention:  
Modified Following Business Day.  
The Interest Period will be extended to include the first following Business Day unless that day falls in the next calendar month, in which case the Interest Period will be shortened to the first preceding Business Day.

Issue Price:  
100 % (par value).

Yield:  
Investors wishing to invest in the Bonds after the Issue Date must pay the market price for the Bonds in the secondary market at the time of purchase. Depending on the development in the bond market in general and the development of the Issuer, the price of the Bonds may have increased (above par) or decreased (below par). As the Bonds have a floating reference rate, it is the market’s expectations of risk premium, i.e. margin that affects the price. If the price has increased, the yield for the purchaser in the secondary market, given that the reference rate does not change, will be lower than the interest rate of the Bonds and vice versa.

Business Day:  
Any day on which the CSD settlement system is open and the relevant currency settlement system is open.

Maturity:  
On the Maturity Date the Issuer shall pay in respect of each Bond the Nominal Amount multiplied by the Redemption Price to the Bondholders.

Redemption:  
Matured interest and matured principal will be credited each Bondholder directly from the CSD for interest and principal shall be limited in time pursuant the Norwegian Act relating to the Limitation Period Claims of May 18 1979 no 18, p.t. 3 years for interest rates and 10 years for principal.

Status:  
The Issuer’s payment obligations under these Bond Terms shall rank ahead of all subordinated payment obligations of the Issuer and the Bond shall rank at least pari passu with all the Issuer’s other obligations, save for obligations which are mandatorily preferred by law.
Security:

The Bond Obligations shall be secured by the Joint Security or the Cash for Refinancing Security (as applicable).

The Joint Security shall secure (i) the Bond Obligations and (ii) the Additional Loan Obligations, on a joint and pro rata basis among the Secured Creditors, as further provided for in the Intercreditor Agreement.

The Issuer shall, prior to any Additional Loan being established, ensure that the relevant Secured Creditors accede to the Intercreditor Agreement.

The Property Company may increase or reduce the nominal value of the mortgage over its Leasehold Rights, provided that the registered nominal value of the mortgage in no event shall be lower than the outstanding principal amount of Secured Debt. The Property Company shall be permitted to submit relevant documents to the Land Registry (Kartverket) and the Security Agent shall timely do all such acts and things required to facilitate the registration with the Land Registry.

The Issuer may at any time during the last three months before the Maturity Date provide Cash for Refinancing Security to a Cash for Refinancing Security Account against release of the Joint Security Interest as Security Interest for the Bond Issue (and the Bond Trustee (and, if applicable, each Bondholder) shall resign as a party to the Intercreditor Agreement upon such release of the Joint Security Interest).

Refinancing Put Option:

In the event the Issuer has provided Cash for Refinancing Security in accordance with the Bond Terms Clause 3.3, each Bondholder shall have a right of pre-payment ("Refinancing Put Option") of its Bonds at 100 per cent of their Nominal Amount plus interest accruing up to the Maturity Date.

Exercise of the Refinancing Put Option shall be notified by the Bondholder to its Securities Register agent (to be forwarded to the Paying Agent), and the settlement date for the Refinancing Put Option will be 5 Business Days after the date of such notification. On the settlement date, the Bond Trustee shall release the applicable amount from the Cash for Refinancing Security Account for pre-payment of the Bonds being subject to exercise of the Refinancing Put Option.

In the event a Bondholder has not exercised its Refinancing Put Option within 10 Business Days of the Maturity Date, it will receive an amount equal to 100 per cent of the Nominal Amount of its Bonds plus accrued interest on the Maturity Date by release of the remaining balance from the Cash for Refinancing Security Account.

Change of Control:

If at any time from the Issue Date to the date falling 75 calendar days prior to the Maturity Date a Change of Control Event occurs, each Bondholder shall have a right of pre-payment ("Change of Control Put Option") of Bonds at 101 per cent of the Nominal Amount plus
accrued interest. The Change of Control Put Option must be exercised by the Bondholder’s notice to its Securities Register agent (to be forwarded to the Paying Agent) within 60 calendar days of the notice from the Issuer that a Change of Control Event has occurred (the “Put Period”).

The settlement date for the Change of Control Put Option will be 5 Business Days after the end of the Put Period.

Clean-up call: The Issuer shall have the right to redeem the Bonds at 101% of the Nominal Amount plus accrued interest if (i) the amount outstanding is less than 10% of the total amount issued under the Bond Terms or (ii) the principal amount of Secured Debt is less than NOK 200,000,000. See also the Bond Terms Clause 4.6.3 (Exercise of Call).

Total Loss Repayment: Upon the occurrence of a Total Loss Event, the Issuer shall notify the Bond Trustee whether it elects to:

(a) continue the Bonds and use the insurance proceeds to rebuild the Total Loss Property; or
(b) redeem the Bonds.

In the event alternative (a) is elected, the insurance proceeds shall be applied for reconstruction of the Total Loss Property subject to a plan satisfactory to the Bond Trustee (acting reasonably), in which event no mandatory prepayment shall apply. The insurance proceeds shall be deposited on a Norwegian bank account, pledged and blocked in favour of the Bond Trustee, and be released when required to be used for such rebuilding as set out above.

In the event alternative (b) is elected, a mandatory prepayment shall be made no later than 180 days after the date on which the Total Loss Event occurred, at 100% of the Nominal Amount (plus accrued but unpaid interest) by application of an amount which is the higher of (i) the insurance proceeds actually received following a Total Loss, and (ii) the ratable part of the Outstanding Bonds which is corresponding to the Total Loss Property’s ratable part of the Market Value, provided that the prepayment shall not in any event exceed 100% of the Nominal Amount of all outstanding Bonds plus accrued interest.

General covenants: See Bond Terms section 4.2.

Information covenants: See Bond Terms section 4.3.

Events of Default and acceleration of the Bonds: See Bond Terms section 5.

Use of proceeds: The Issuer will use the net proceeds from the issuance of the Bonds to refinancing existing debt in Nordea and SEB and for its general corporate purposes.

3.2. Status

The Issuer shall, prior to any Additional Loan being established, ensure that the relevant Secured Creditors accede to the Intercreditor Agreement.

The Property Company may increase or reduce the nominal value of the mortgage over its Leasehold Rights, provided that the registered nominal value of the mortgage in no event shall be lower than the outstanding principal amount of Secured Debt. The Property Company shall be permitted to submit relevant documents to the Land Registry (Kartverket) and the Security Agent shall timely do all such acts and things required to facilitate the registration with the Land Registry.

The Issuer may at any time during the last three months before the Maturity Date provide Cash for Refinancing Security to a Cash for Refinancing Security Account against release of the Joint Security Interest as Security Interest for the Bond Issue (and the Bond Trustee (and, if applicable, each Bondholder) shall resign as a party to the Intercreditor Agreement upon such release of the Joint Security Interest).

3.4. Refinancing Put Option
In the event the Issuer has provided Cash for Refinancing Security in accordance with Clause 3.3, each Bondholder shall have a right of pre-payment (“Refinancing Put Option”) of its Bonds at 100 per cent of their Nominal Amount plus interest accruing up to the Maturity Date.

On the settlement date, the Bond Trustee shall release the applicable amount from the Cash for Refinancing Security Account for pre-payment of the Bonds being subject to exercise of the Refinancing Put Option.

In the event a Bondholder has not exercised its Refinancing Put Option within 10 Business Days of the Maturity Date, it will receive an amount equal to 100 per cent of the Nominal Amount of its Bonds plus accrued interest on the Maturity Date by release of the remaining balance from the Cash for Refinancing Security Account.

3.5. Change of Control
If at any time from the Issue Date to the date falling 75 calendar days prior to the Maturity Date a Change of Control Event occurs, each Bondholder shall have a right of pre-payment (“Change of Control Put Option”) of Bonds at 101 per cent of the Nominal Amount plus accrued interest. The Change of Control Put Option must be exercised by the Bondholder’s notice to its Securities
Register agent (to be forwarded to the Paying Agent) within 60 calendar days of the notice from the Issuer that a Change of Control Event has occurred (the "Put Period").

The settlement date for the Change of Control Put Option will be 5 Business Days after the end of the Put Period.

In the event alternative (a) is elected, the insurance proceeds shall be applied for reconstruction of the Total Loss Property subject to a plan satisfactory to the Bond Trustee (acting reasonably), in which event no mandatory prepayment shall apply. The insurance proceeds shall be deposited on a Norwegian bank account, pledged and blocked in favour of the Bond Trustee, and be released when required to be used for such rebuilding as set out above.

In the event alternative (b) is elected, a mandatory prepayment shall be made no later than 180 days after the date on which the Total Loss Event occurred, at 100% of the Nominal Amount (plus accrued but unpaid interest) by application of an amount which is the higher of (i) the insurance proceeds actually received following a Total Loss, and (ii) the ratable part of the Outstanding Bonds which is corresponding to the Total Loss Property's ratable part of the Market Value, provided that the prepayment shall not in any event exceed 100% of the Nominal Amount of all outstanding Bonds plus accrued interest.

(c) Subject to the power of the Bond Trustee to take certain action as set out in Clause 8.1 (Power to represent the Bondholders), if a resolution by, or an approval of, the Bondholders is required, such resolution may be passed at a Bondholders' Meeting. Resolutions passed at any Bondholders' Meeting will be binding upon all Bondholders.

(d) At least 50% of the Voting Bonds must be represented at a Bondholders' Meeting for a quorum to be present.

(e) Resolutions will be passed by simple majority of the Voting Bonds represented at the Bondholders' Meeting, unless otherwise set out in paragraph (f) below.

The request shall clearly state the matters to be discussed and resolved.

(b) If the Bond Trustee has not convened a Bondholders' Meeting within ten (10) Business Days after having received a valid request for calling a Bondholders' Meeting pursuant to paragraph (a) above, then the re-requesting party may itself call the Bondholders' Meeting.

(c) Summons to a Bondholders' Meeting must be sent no later than ten (10) Business Days prior to the proposed date of the Bondholders' Meeting. The Summons shall be sent to all Bondholders registered in the CSD at the time the Summons is sent from the CSD. If the Bonds are listed, the Issuer shall ensure that the Summons is published in accordance with the applicable regulations of the Exchange. The Summons shall also be published on the website of the Bond Trustee (alternatively by press release or other relevant information platform).

(d) Any Summons for a Bondholders' Meeting must clearly state the agenda for the Bondholders' Meeting and the matters to be resolved. The Bond Trustee may include additional agenda items to those requested by the person calling for the Bondholders' Meeting in the Summons. If the Summons contains proposed amendments to these Bond Terms, a description of the proposed amendments must be set out in the Summons.

(e) Items which have not been included in the Summons may not be put to a vote at the Bondholders' Meeting.

(f) By written notice to the Issuer, the Bond Trustee may prohibit the Issuer from acquiring or dispose of Bonds during the period from the date of the Summons until the date of the Bondholders' Meeting unless this would constitute a breach by the Issuer's obligations pursuant to Clause 4.6.1 (Covenant to pay).

(g) A Bondholders' Meeting may be held on premises selected by the Bond Trustee, or if paragraph (b) above applies, by the person convening the Bondholders' Meeting (however to be held in Oslo). The Bondholders' Meeting will be opened and, unless otherwise decided by the Bondholders' Meeting, chaired by the Bond Trustee (the “Chairman”). If the Bond Trustee is not present, the Bondholders' Meeting will be opened by a Bondholder and the Chairman elected by the Bondholders' Meeting.

(h) Each Bondholder, the Bond Trustee and, if the Bonds are listed, representatives of the Exchange, or any person or persons acting under a power of attorney for a Bondholder, shall have the right to attend the Bondholders' Meeting (each a “Representative”). The Chairman may grant access to the meeting to other persons not being Representatives, unless the Bondholders' Meeting decides otherwise. In addition, each Representative has the right to be accompanied by an advisor. In case of dispute or doubt with regard to whether a person is a Representative or entitled to vote, the Chairman will decide who may attend the Bondholders' Meeting and exercise voting rights.
(i) Representatives of the Issuer have the right to attend the Bondholders' Meeting. The Bondholders Meeting may resolve to exclude the Issuer's representatives and/or any person holding only Issuer's Bonds (or any representative of such person) from participating in the meeting at certain times, however, the Issuer’s representative and any such other person shall have the right to be present during the voting.

(j) Minutes of the Bondholders' Meeting must be recorded by, or by someone acting at the instruction of, the Chairman. The minutes must state the number of Voting Bonds represented at the Bondholders' Meeting, the resolutions passed at the meeting, and the results of the vote on the matters to be decided at the Bondholders' Meeting. The minutes shall be signed by the Chairman and at least one other person. The minutes will be deposited with the Bond Trustee who shall make available a copy to the Bondholders and the Issuer upon request.

(k) The Bond Trustee will ensure that the Issuer, the Bondholders and the Exchange are notified of resolutions passed at the Bondholders' Meeting and that the resolutions are published on the website of the Bond Trustee (or other relevant electronically platform or press release).

(l) The Issuer shall bear the costs and expenses incurred in connection with convening a Bondholders' Meeting regardless of who has convened the Bondholders' Meeting, including any reasonable costs and fees incurred by the Bond Trustee.

7.3 Voting rules

(a) Each Bondholder (or person acting for a Bondholder under a power of attorney) may cast one vote for each Voting Bond owned on the Relevant Record Date, ref. Clause 6.3 (Bondholders' rights). The Chairman may, in its sole discretion, decide on accepted evidence of ownership of Voting Bonds.

(b) Issuer's Bonds shall not carry any voting rights. The Chairman shall determine any question concerning whether any Bonds will be considered Issuer's Bonds.

(c) For the purposes of this Clause 7 (Bondholders’ decisions), a Bondholder that has a Bond registered in the name of a nominee will, in accordance with Clause 6.3 (Bondholders’ rights), be deemed to be the owner of the Bond rather than the nominee. No vote may be cast by any nominee if the Bondholder has presented relevant evidence to the Bond Trustee pursuant to Clause 6.3 (Bondholders’ rights) stating that it is the owner of the Bonds voted for. If the Bondholder has voted directly for any of its nominee registered Bonds, the Bondholder’s votes shall take precedence over votes submitted by the nominee for the same Bonds.

(d) Any of the Issuer, the Bond Trustee and any Bondholder has the right to demand a vote by ballot. In case of parity of votes, the Chairman will have the deciding vote.

7.4 Repeated Bondholders' Meeting

(a) Even if the necessary quorum set out in paragraph (d) of Clause 7.1 (Authority of the Bondholders’ Meeting) is not achieved, the Bondholders’ Meeting shall be held and voting completed for the purpose of recording the voting results in the minutes of the Bondholders’ Meeting. The Bond Trustee or the person who convened the initial Bondholders’ Meeting may, within ten Business Days of that Bondholders’ Meeting, convene a repeated meeting with the same agenda as the first meeting.

(b) The provisions and procedures regarding Bondholders’ Meetings as set out in Clause 7.1 (Authority of the Bondholders’ Meeting), Clause 7.2 (Procedure for arranging a Bondholders’ Meeting) and Clause 7.3 (Voting rules) shall apply mutatis mutandis to a repeated Bondholders’ Meeting, with the exception that the quorum requirements set out in paragraph (d) of Clause 7.1 (Authority of the Bondholders’ Meeting) shall not apply to a repeated Bondholders' Meeting. A Summons for a repeated Bondholders’ Meeting shall also contain the voting results obtained in the initial Bondholders’ Meeting.

(c) A repeated Bondholders’ Meeting may only be convened once for each original Bondholders’ Meeting. A repeated Bondholders’ Meeting may be convened pursuant to the
procedures of a Written Resolution in accordance with Clause 7.5 (Written Resolutions), even if the initial meeting was held pursuant to the procedures of a Bondholders’ Meeting in accordance with Clause 7.2 (Procedure for arranging a Bondholders’ Meeting) and vice versa.

7.5 Written Resolutions

(a) Subject to these Bond Terms, anything which may be resolved by the Bondholders in a Bondholders’ Meeting pursuant to Clause 7.1 (Authority of the Bondholders’ Meeting) may also be resolved by way of a Written Resolution. A Written Resolution passed with the relevant majority is as valid as if it had been passed by the Bondholders in a Bondholders’ Meeting, and any reference in any Finance Document to a Bondholders’ Meeting shall be construed accordingly.

(b) The person requesting a Bondholders’ Meeting may instead request that the relevant matters are to be resolved by Written Resolution only, unless the Bond Trustee decides otherwise.

(c) The Summons for the Written Resolution shall be sent to the Bondholders registered in the CSD at the time the Summons is sent from the CSD and published at the Bond Trustee’s web site, or other relevant electronic platform or via press release.

(d) The provisions set out in Clause 7.1 (Authority of the Bondholders’ Meeting), 7.2 (Procedure for arranging a Bondholder’s Meeting), Clause 7.3 (Voting Rules) and Clause 7.4 (Repeated Bondholders’ Meeting) shall apply mutatis mutandis to a Written Resolution, except that:

(i) the provisions set out in paragraphs (g), (h) and (i) of Clause 7.2 (Procedure for arranging Bondholders Meetings); or

(ii) provisions which are otherwise in conflict with the requirements of this Clause 7.5 (Written Resolution),

shall not apply to a Written Procedure.

(e) The Summons for a Written Resolution shall include:

(i) instructions as to how to vote to each separate item in the Summons (including instructions as to how voting can be done electronically if relevant); and

(ii) the time limit within which the Bond Trustee must have received all votes necessary in order for the Written Resolution to be passed with the requisite majority (the “Voting Period”).

(f) The Voting Period shall be at least three (3) Business Days but not more than 15 Business Days from the date of the Summons, provided however that the Voting Period for a Written Resolution summoned pursuant to Clause 7.4 (Repeated Bondholders’ Meeting) shall be at least ten (10) Business Days but not more than 15 Business Days from the date of the Summons.

(g) Only Bondholders of Voting Bonds registered with the CSD on the Relevant Record Date, or the beneficial owner thereof having presented relevant evidence to the Bond Trustee pursuant to Clause 6.3 (Bondholders’ rights), will be counted in the Written Resolution.

(h) A Written Resolution is passed when the requisite majority set out in paragraph (e) or paragraph (f) of Clause 7.1 (Authority of Bondholders’ Meeting) has been achieved, based on the total number of Voting Bonds, even if the Voting Period has not yet expired. A Written Resolution may also be passed if the sufficient numbers of negative votes are received prior to the expiry of the Voting Period.

(i) The effective date of a Written Resolution passed prior to the expiry of the Voting Period is the date when the resolution is approved by the last Bondholder that results in the necessary voting majority being achieved.

(j) If no resolution is passed prior to the expiry of the Voting Period, the number of votes shall be calculated at the close of business on the last day of the Voting Period, and a decision
will be made based on the quorum and majority requirements set out in paragraphs (d) to (f) of Clause 7.1 (Authority of Bondholders' Meeting).

8 THE BOND TRUSTEE

8.1 Power to represent the Bondholders

(a) The Bond Trustee has power and authority to act on behalf of, and/or represent, the Bondholders in all matters, including but not limited to taking any legal or other action, including enforcement of these Bond Terms, and the commencement of bankruptcy or other insolvency proceedings against the Issuer, or others.

(b) The Issuer shall promptly upon request provide the Bond Trustee with any such documents, information and other assistance (in form and substance satisfactory to the Bond Trustee), that the Bond Trustee deems necessary for the purpose of exercising its and the Bondholders' rights and/or carrying out its duties under the Finance Documents.

(c) In order to carry out its functions and obligations under these Bond Terms, the Bond Trustee will have access to the relevant information regarding ownership of the Bonds, as recorded and regulated with the CSD.

(b) The Bond Trustee is not obligated to assess or monitor the financial condition of the Issuer or any other Obligor unless to the extent expressly set out in these Bond Terms, or to take any steps to ascertain whether any Event of Default has occurred. Until it has actual knowledge to the contrary, the Bond Trustee is entitled to assume that no Event of Default has occurred. (c) The Bond Trustee is entitled to take such steps that it, in its sole discretion, considers necessary or advisable to protect the rights of the Bondholders in all matters pursuant to the terms of the Finance Documents. (e) The Bond Trustee shall hold all amounts recovered on behalf of the Bondholders on separated accounts.

(f) The Bond Trustee will ensure that resolutions passed at the Bondholders' Meeting are properly implemented, provided, however, that the Bond Trustee may refuse to implement resolutions that may be in conflict with these Bond Terms, any other Finance Document, or any applicable law.

(g) Notwithstanding any other provision of the Finance Documents to the contrary, the Bond Trustee is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.

(h) If the cost, loss or liability which the Bond Trustee may incur (including reasonable fees payable to the Bond Trustee itself) in:

(i) complying with instructions of the Bondholders; or

(ii) taking any action at its own initiative,
will not, in the reasonable opinion of the Bond Trustee, be covered by the Issuer or the relevant Bondholders pursuant to paragraphs (e) and (g) of Clause 8.4 (Expenses, liability and indemnity), the Bond Trustee may refrain from acting in accordance with such instructions, or refrain from taking such action, until it has received such funding or indemnities (or adequate security has been provided therefore) as it may reasonably require.

(i) The Bond Trustee shall give a notice to the Bondholders before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Bond Trustee under the Finance Documents.

(j) The Bond Trustee may instruct the CSD to split the Bonds to a lower nominal amount in order to facilitate partial redemptions, restructuring of the Bonds or other situations.

8.3 Equality and conflicts of interest

(a) The Bond Trustee shall not make decisions which will give certain Bondholders an unreasonable advantage at the expense of other Bondholders. The Bond Trustee shall, when acting pursuant to the Finance Documents, act with regard only to the interests of the Bondholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.

(b) The Bond Trustee may act as agent, trustee, representative and/or security agent for several bond issues relating to the Issuer notwithstanding potential conflicts of interest. The Bond Trustee is entitled to delegate its duties to other professional parties.

8.4 Expenses, liability and indemnity

(a) The Bond Trustee will not be liable to the Bondholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its gross negligence or wilful misconduct. The Bond Trustee shall not be responsible for any indirect or consequential loss. Irrespective of the foregoing, the Bond Trustee shall have no liability to the Bondholders for damage caused by the Bond Trustee acting in accordance with instructions given by the Bondholders in accordance with these Bond Terms.

(b) Any liability for the Bond Trustee for damage or loss is limited to the amount of the Outstanding Bonds. The Bond Trustee is not liable for the content of information provided to the Bondholders by or on behalf of the Issuer or any other person.

(c) The Bond Trustee shall not be considered to have acted negligently if it has:

(i) acted in accordance with advice from or opinions of reputable external experts; or

(ii) acted with reasonable care in a situation when the Bond Trustee considers that it is to the interests of the Bondholders to delay or perform any action.

(d) The Issuer is liable for, and will indemnify the Bond Trustee fully in respect of, all losses, expenses and liabilities incurred by the Bond Trustee as a result of negligence by the Issuer (including its directors, management, officers, employees and agents) in connection with the performance of the Bond Trustee's obligations under the Finance Documents, including losses incurred by the Bond Trustee as a result of the Bond Trustee's actions based on misrepresentations made by the Issuer in connection with the issuance of the Bonds, the entering into or performance under the Finance Documents, and for as long as any amounts are outstanding under or pursuant to the Finance Documents.

(c) The Issuer shall cover all costs and expenses incurred by the Bond Trustee in connection with it fulfilling its obligations under the Finance Documents. The Bond Trustee is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents. For Nordic Financial Undertakings, and Nordic governmental issuers, annual fee will be determined according to applicable fee structure and terms and conditions presented at the Bond Trustee's web site (www.nordictrustee.no) at the Issue
Date, unless otherwise is agreed with the Bond Trustee. For other issuers a separate Bond Trustee Agreement will be entered into. The Bond Trustee's obligations under the Finance Documents are conditioned upon the due payment of such fees and indemnifications.

(f) The Issuer shall on demand by the Bond Trustee pay all costs incurred for external experts engaged after the occurrence of an Event of Default, or for the purpose of investigating or considering (i) an event or circumstance which the Bond Trustee reasonably believes is or may lead to an Event of Default or (ii) a matter relating to the Issuer or any of the Finance Documents which the Bond Trustee reasonably believes may constitute or lead to a breach of any of the Finance Documents or otherwise be detrimental to the interests of the Bondholders under the Finance Documents.

(g) Fees, costs and expenses payable to the Bond Trustee which are not reimbursed in any other way due to an Event of Default, the Issuer being Insolvent or similar circumstances pertaining to the Obligors, may be covered by making an equal reduction in the proceeds to the Bondholders hereunder of any costs and expenses incurred by the Bond Trustee in connection therewith. The Bond Trustee may withhold funds from any escrow account (or similar arrangement) or from other funds received from the Issuer or any other person, and to set-off and cover any such costs and expenses from those funds.

(h) As a condition to effecting any instruction from the Bondholders (including, but not limited to, instructions set out in Clause 5.3 (Bondholders' instructions) or Clause 7.2 (Procedure for arranging a Bondholders' Meeting)), the Bond Trustee may require satisfactory Security, guarantees and/or indemnities for any possible liability and anticipated costs and expenses from those Bondholders who have given that instruction and/or who voted in favour of the decision to instruct the Bond Trustee.

8.5 Replacement of the Bond Trustee

(a) The Bond Trustee may be replaced according to the procedures set out in Clause 6 (Bondholders' Decision), and the Bondholders may resolve to replace the Bond Trustee without the Issuer's approval.

(b) The Bond Trustee may resign by giving notice to the Issuer and the Bondholders, in which case a successor Bond Trustee shall be elected pursuant to this Clause 8.5 (Replacement of the Bond Trustee), initiated by the retiring Bond Trustee.

(c) If the Bond Trustee is Insolvent, or otherwise is permanently unable to fulfil its obligations under these Bond Terms, the Bond Trustee shall be deemed to have resigned and a successor Bond Trustee shall be appointed in accordance with this Clause 8.5 (Replacement of the Bond Trustee). The Issuer may appoint a temporary Bond Trustee until a new Bond Trustee is elected in accordance with paragraph (a) above.

(d) The change of Bond Trustee's shall only take effect upon execution of all necessary actions to effectively substitute the retiring Bond Trustee, and the retiring Bond Trustee undertakes to co-operate in all reasonable manners without delay to such effect. The retiring Bond Trustee shall be discharged from any further obligation in respect of the Finance Documents from the change takes effect, but shall remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Bond Trustee. The retiring Bond Trustee remains entitled to any benefits under the Finance Documents before the change has taken place.

(e) Upon change of Bond Trustee the Issuer shall co-operate in all reasonable manners without delay to replace the retiring Bond Trustee with the successor Bond Trustee and release the retiring Bond Trustee from any future obligations under the Finance Documents and any other documents.

### Forutsetninger

- **Antakelser om at alle leiekontrakter fornyes til markedsleienivå**
- **Leieinntekter betales forskuddsvis hvert kvartal**
- **Stabile eierkostnader - dvs en snittbetraktning på vedlikeholdskostnader**
- **Rehabiliteringskostnader som inntreffer ved fornyelse av leiekontrakter**

**Metodikk:**
- **Årlige leieinntekter justeres med en reduksjonsfaktor for kvartalsvis innbetaling**
- **Eierkostnader og rehabiliteringskostnader justeres på liknende måte for å reflektere en jevn kostandsspredning over året**
